

Greetings from UNC Student Affairs!

Greetings from UNC Student Affairs! In this issue, we'd like to highlight some of the ways Student Affairs is uniquely preparing students for life beyond UNC-Chapel Hill. As our students face an ever-changing global society, together, we will create leaders for the future.

If you believe that making this work possible is important, we need your support. To find a way to give of your time, talent and/or treasure, please reach out to me at zack.hawkins@unc.edu or [919-962-9077](tel:919-962-9077). Thanks for all that you do to support Carolina

Go Heels!
